

Colorado Ag Water Alliance

"Committed to the preservation of agriculture through the wise use of Colorado's water resources"

Grower Meeting: Water Quality and Reg 85

February 5th, 2020

Johnson's Corner

**2842 SE Frontage Rd,
Johnstown, CO 80534**

5:30PM-7PM

RSVP for free dinner at:

<https://agwaterjohnsons.eventbrite.com>

What is Regulation 85 and how does it impact Ag? What conservation measures have irrigators done and what are they doing right now?

We Will Discuss:

What is Regulation 85 and what can an individual grower do about it

Efforts to collect data on BMPs relating to water quality

What efforts have Colorado growers made in the past

What is a grass filter strip and what does it have to do with water quality
